### PRINCIPLE ACTIVITIES, OBJECTIVES & COMPANY STRATEGY

The principal objectives of the company are:

- . to promote, conduct & register junior & senior rugby league teams in the Penrith & local districts.
- . in accordance with a joint venture agreement with the Penrith Panthers Rugby League Club, provide a pathway for selection in higher competitions and as a career.
- . to provide ongoing financial support for rugby league teams.
- . to provide & maintain the oval & surrounding grounds.
- . to provide up to date club house facilities for rugby league teams, officials, volunteers & supporters.
- . to promote the Windsor Wolves Rugby League brand.
- . to substantially improve the cash flow of the company.

Other objectives & activities are as follows:

- . the conduct of a licensed social, sporting and recreation club at South Windsor and surrounding district
- . focus on providing benefits to members and their guests commensurate with a club of this size

To achieve these objectives, the company has adopted the following strategies:

The company measures of performance are based on financial and non-financial factors. The company measures and compares key performance indicators and expectations on a monthly basis to core business activities being gaming, beverage, community support and promotion. The pursuit of a successful rugby league team in New South Wales Rugby League competitions. There is constant monitoring of cost control, debt levels, cash flows and capital expenditure. However, the company must substantially reduce expenditure, reduce the payment for plant, equipment, building & ground improvements to improve cash flow. Revenues do not appear to be on the increase. On a non-financial level, to continually monitor satisfaction levels of facilities, entertainment, services and support to members and their guests. To assist funding and provide facilities for sporting and community welfare groups where financially responsible.

**DIRECTORS' REPORT** continued

**PERFORMANCE**

The company earned a Net Profit before income tax of \$4,893 compared to \$570,416 last year. In the previous year, the company received a federal government grant of \$499,234 for the purpose of building the grandstand. Earnings before interest, taxes, depreciation and amortisation (EBITDA) was \$559,477 compared to \$1,147,936 last year, a decrease on last year of \$588,459. The company's revenue decreased from \$5,613,924 to \$4,888,878 a reduction of \$725,046 or 13%. Profit from gaming decreased by 10% during the year to \$1,788,601. The loss from Rugby League participation increased from \$219,716 last year to \$228,530, an increase of 4%.

A total of 38 junior & senior rugby league teams were registered in the Penrith & local Rugby League competitions, down from 42 last year.

The company's financial performance is measured on an ongoing basis to key performance indicators in core business activities. Past performance, general economic conditions in the district and elsewhere and industry benchmarks are considered. The company has not had the ability to pay its suppliers & finance repayments on normal terms of trade due to cash flow restraints. The main reasons is the timing of decrease in gaming revenues, higher than expected rugby league net expenditure, capital expenditure on clubhouse improvements & final grandstand cash outlays.

**DIRECTORS' MEETINGS**

During the financial year, 12 meetings of directors were held. The number of meetings attended by each director during the year is as follows:

Directors	Board Meetings Attended	Board Meetings Eligible to Attend
Ross Jones	11	12
David McMullen	11	12
Leigh Spence	11	12
Dennis Lowe	9	12
Sam Romano	11	12
Ross Newton	11	12
Richard Prior	8	9
James Kingston	2	2

**MEMBERSHIP**

The company has football, associate, & life members. The total number of members of the company including life members was 5,322. Should the company be wound up, the members of the company are liable to contribute no more than five dollars. The collective liability of members was \$26,610 (last year \$21,580).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES		

**BASIS OF PREPARATION**

Windsor Leagues Club Limited applies Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board and the Corporations Act 2001. The company is a not for profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements, except for cash flow information, have been prepared on an accrual basis, and are based on historical costs modified, where applicable by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The company's main objective is the conduct of Rugby League in the Penrith and local districts. The company registered 38 rugby league teams in the reporting period. It continues to financially support other sports in the district.

The financial statements were authorised for issue on 10 March 2016 by the directors of the company.

**ACCOUNTING POLICIES**

**(a) Property Plant & Equipment**

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, accumulated depreciation and impairment losses.

**Freehold Property**

Freehold land and buildings are shown at fair value based on periodic, valuations by external independent valuers, less subsequent depreciation for buildings.

In periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors' valuations to ensure the carrying amount for the land and buildings is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2015**  
(Continued)

	2015	2014
1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)	\$	\$

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(h) for details of impairment).

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land is depreciated on a straight line basis over the assets estimated useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of assets are:

Buildings 2.5%

Plant, Equipment & Vehicles 5%-33%

Gaming Machines 15%

The depreciation rate for gaming machines was reduced to 15% on 1 January 2015 down from 25% prior to this date.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

(b) Inventories

All inventories are measured at the lower of cost and current replacement cost.

(c) Employee Benefits

Short-Term Employee Benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages and salaries. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled. The company's obligations for short-term employee benefits such as wages and salaries are recognised as part of the current trade and other payables in the statement of financial position. The directors have determined that the company's annual leave liability will be extinguished before next reporting date. Therefore annual leave has been classified as a short-term employee benefit and recorded at nominal value in provisions.

(c) Employee Benefits (contd.)

Other Long-Term employee benefits

The company classifies employees' long service leave and annual leave as other long-term employee benefits as they are not expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss.

The company's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which the obligations are presented as current liabilities.

(d) Income Tax

No provision has been made for income tax as the company considers itself to be exempt from income tax in accordance with s 50-45 Income Tax Assessment Act 1997 & case law.

(e) Revenue

Revenue from the sale of goods is recognised upon delivery of goods to customers. Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial asset.

Members' Subscriptions and other income in advance is brought to account in the financial year in which it relates.

Rugby League sponsorship income is conservatively recognised when received.

All revenue is stated net of the amount of goods and services tax (GST).

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(g) Members & Company Limited By Guarantee

The company is a company limited by guarantee with the liability of members limited to \$5 as set out in the company's constitution.

The company has 5,332 members which includes 26 life members.

(h) Impairment of Assets

At the end of each reporting period the company assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the assets carrying amount. Any excess of the assets carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

(i) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transaction costs.

Classification and Subsequent Measurement

Finance instruments are subsequently measured at fair value or cost.

Available For Sale Financial Assets

Available for sale financial assets are non-derivative financial assets that are either do not meet the criteria for classification as any other type of financial asset or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments. All financial assets currently held are classified as available for sale financial assets and are measured at cost.

Available for sale financial assets are classified as non current assets where they are expected to be sold within 12 months after the end of the reporting period. All other available for sale financial assets are classified as current assets.

Financial Liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the entity assesses whether there is objective evidence that a financial asset has been impaired. A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset. In the case of available for sale financial assets, a significant or prolonged decline in the market value of the instrument is considered to constitute a loss event. Impairment losses are recognised in profit or loss immediately. Also any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

	2015	2014
1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)	\$	\$
(i) Financial Instruments (contd.)		
Derecognition		
Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability which is extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed is recognised in profit or loss.		
(j) Goods & Services Tax (GST)		
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position. Cash flows are presented in the Cash flow Statement on a gross basis. The GST component of cash flows arising from investing and financing activities which are recoverable from the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.		
(k) Going Concern		
The directors are aware that the company has had delays in meeting its supplier and financial liability obligations. However, the directors believe with the continued support of suppliers and financiers the ability to sell assets should the need arise, that the going concern basis is appropriate.		
(l) Comparative Figures		
Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.		
(m) Critical Accounting Estimates & Judgements		
The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.		
Key Judgements		
Going Concern Basis		
The directors have determined that the company is a going concern and the financial report has been prepared on this basis. Refer to note 1(k) above		
Self Assessment of Exemption from Income Tax		
The directors have self assessed that the company is exempt from Income tax as a sporting body in accordance with s50-45 of the Income Tax Assessment Act 1997 and case law.		
(n) Trade and Other Payables		
Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability.

Provision for Employee Benefits		
Provision for employee benefits represents amounts accrued for annual leave and long service leave. The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.		
In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon historical data and judgement. The measurement and recognition criteria for employee benefits has been discussed at note 1(c).

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF WINDSOR LEAGUES CLUB LIMITED**

**Report on the Financial Report**

We have audited the accompanying financial report of Windsor Leagues Club Limited (the company), which comprises the Statement of Financial Position as at 31 December 2015, the Statement of Profit or Loss & Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, Notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' Declaration.

**Directors' Responsibility for the Financial Report**

The Directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Windsor Leagues Club Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

**Qualification**

Due to the size and nature of rugby league and other activities and the use of volunteers, it is not practical to maintain an effective system of internal control over selective revenue and expenses of rugby league, raffles and other fund raising activities. Accordingly, our audit was limited to the amounts recorded. No adjustments to the records were made.

**Going Concern**

The company has going concern issues. It does not have the financial ability to pay liabilities within the normal terms of trade & repayment arrangements. The company must substantially reduce expenditure & asset acquisitions. It must obtain the financial assistance from suppliers, financiers and creditors to pay liabilities outside the normal trade terms and repayment arrangements. It also has the ability to sell assets. We refer to the Directors' note in the accounting policy on going concern. They are of the opinion that the going concern basis of accounting is appropriate this financial year. The financial report has been prepared on this basis.

**Opinion**

In our opinion had the above qualification not existed, the financial report of Windsor Leagues Club Limited is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the company's financial position as at 31 December 2015 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.
